

Everyone,

The St Ann Basketball Playoffs will start on Wednesday February 20th 2019 and hopefully finish by Sunday March 10th 2019.

2018/2019 Season Passes for adults and students are **NOT VALID** during the playoffs, so please remind everyone to bring cash only. Coaches and AD's are still allowed to use their passes, so make sure that you show your pass to the admission staff when arriving to the gym for your playoffs.

There will be **NO** game days and times switches during the playoffs, only time it will change is...if the weather conditions are bad. If a game(s) are cancelled due to the weather the teams will be notified of the make-up game/date by email, phone, or the website.

Please respect the calls of the officials. We have always had the best qualified basketball officials, whom we are confident make these playoffs a success.

So let the 2019 playoffs begin. Please remember that the young people that are playing in this league look to all of you as role models. So please be respectful of one another and the other players.

The playoffs brackets will be posted and be on the website

Please forward this document to your coaches and parents.

From the St Ann's Basketball League Committee
